Lance:

Thanks for your response; we will proceed with contracting a title company.

Louise

Subject: Question Regarding Documents needed for the Wilcox Oil Site

Lance:

I just spoke with Ken and he asked me to consult with you. Toeroek is in the process of soliciting bids for the Wilcox Oil site title search and a vendor asked if oil and gas/mineral leases were required or just surface leases.

Please let me know so we can contract a title company as soon as possible.

Thanks
Louise
